

Year 2 Autumn 1 Overview

Magical Mapping

English

Children will read a collection of stories by the author Simon Bartram including *Man on the Moon* and *Bob's Best Friend*. They will explore language features of the books, sequence and orally retell the stories, compare the similarities and differences of the two books and work towards writing a new version of the story.

Maths

Children will spend the first part of the half term consolidating and building on the knowledge of numbers to 100, reading, writing, ordering and partitioning in different ways. This knowledge will then be used and applied to addition and subtraction calculations. Children will also learn to recite their multiplication facts from memory.

Geography

This half term in Geography the children will be learning about their local area and the key features. They will be comparing South Wingfield to Derby city. We will then look at England and our capital city and the countries that make up the United Kingdom. We will do a field trip, work on our map and compass skills.

<p style="text-align: center;">RE</p> <p style="text-align: center;">How did the world begin?</p> <p>Exploring a range of creation stories in imaginative ways, children present their own ideas using art and language. They consider how creation stories help some people understand what God is like.</p>	<p style="text-align: center;">PSHE</p> <p style="text-align: center;">Being Responsible</p> <p>Children explore why rules are needed and what rules we have to follow. They will think about why being responsible is important and what they have responsibility for. We will like this to caring for the environment.</p>	<p style="text-align: center;">Computing</p> <p>Knowing how to log in and navigate around a computer, developing mouse skills, learning how to drag, drop, click and control a cursor to create works of art inspired by Kandinsky and self-portraits.</p>
<p style="text-align: center;">Music</p> <p style="text-align: center;">Hey You!</p> <p>Hey You! is written in an Old-School Hip Hop style for children to learn about the differences between pulse, rhythm and pitch and to learn how to rap and enjoy it in its original form.</p> <p>As well as learning to sing, play, improvise and compose with this song, children will listen and appraise other Old-School Hip Hop tunes.</p>	<p style="text-align: center;">PE</p> <p>One session will be with AVSSP and then this will be consolidated in a second PE in class 1.</p> <p>This half term we will be developing our Athletics skills with running, jumping and throwing activities.</p>	<p style="text-align: center;">Science</p> <p style="text-align: center;">Animal's Needs for Survival</p> <p>In Science we will be learning about the different groups of animals and what they each need to survive. The children will be using investigative skills of sorting and classifying to embed their learning.</p> <p style="text-align: center;">Humans</p> <p>We will then look at Humans and the importance of food, exercise and good hygiene.</p>
	<p style="text-align: center;">Art and DT</p> <p style="text-align: center;">Painting and mixed media: Colour Splash</p> <p>Exploring colour mixing through paint play, using a range of tools to paint on different</p>	

surfaces and creating paintings inspired by
Clarice Cliff and Jasper Johns.
