Raising aspirations and meeting the needs of young people and their families.

FREQUENTLY ASKED QUESTIONS

Q :What is early help and what is early intervention?

A. Early help and early intervention are forms of support aimed at improving outcomes for children or preventing escalating need or risk. Because of this they are also sometimes referred to as prevention or preventative services.

common support needs by the services.

Q. What is your role?

A. Our role is to support families with anything that impacts on a child's educational career. This could be attendance, behaviour, wellbeing, confidence, etc

Q. My child has been diagnosed with ASD/ADHD, what can you help with?

A. We can support you with strategies around the diagnosis, and refer to other agencies.

Q. Where can I go to for support? Who can I talk to? What services are there?

A. Your early help officer will discuss your circumstances around your child's referral and a plan will be put together about what services you require.

Q. Can you give me legal advice?

A. We are not able to give legal advice but we can signpost you to other agencies that can.

Q. What is an EHA (Early Help Assessment)?

A. An Early Help Assessment is a fact finding tool and document to refer to other services/agencies and to build a clear picture of your needs for support.

Q. What happens in a TAF meeting?

A. A TAF is a 'Team Around Family Meeting' for all professionals working with the family, to discuss next steps.

Q. Can you help with housing / Debt / Benefits?

A. No, however we can offer supporting letters and help you refer on to other agencies.

Q. How long will I need support?

A. Every child and case is different, but we start with 8 weeks, and then reassess and extend as necessary.

Q : Are you social care?

A : No, we are a Community Interest Company that works on behalf of schools. We do liaise with social care and other partner agencies as part of the support network if needed.
